tom:  
**C** (forma dos acordes no tom de **G** )  
 Capotraste na 5ª casa

Riff 1

Cigarette inside your hand  
 Wish you would hold me like that  
 Breathe me in and pull me close  
 I can only wait so long

Riff 2

Do you think of me in your bedsheets?  
 Do they feel the same without me?  
 'Cause the flame is out and now I choke  
 As the love we had it turns to smoke

Riff 1

I got two more days  
 'Til I leave this place  
 And you stay the same

I got two more days

Riff 1

Is it true you love me, yes or no?  
 'Cause back in June you told me so  
 And now I'm in your house alone  
 The embers burn my body slow

Riff 2

Do you think of me in these bed sheets?  
 Do you hear me, babe? I'm screaming  
 'Cause I thought I loved you now I know  
 That good love shouldn't turn to smoke

Riff 1

I got two more days  
 'Til I leave this place  
 And you stay the same  
 I got two more days

Riff 1

Leaving here I've gotta go  
 I'm leaving you I have to grow  
 Leaving 'cause I gotta go  
 I'm leave you I have to grow

Leaving here I've gotta go  
 I'm leaving you I have to grow  
 Leaving 'cause I gotta go  
 I'm leave you I have to grow

Riff 3

Cigarette inside your hand  
 Wish you would hold me like that
