Intro: Am (x 4)

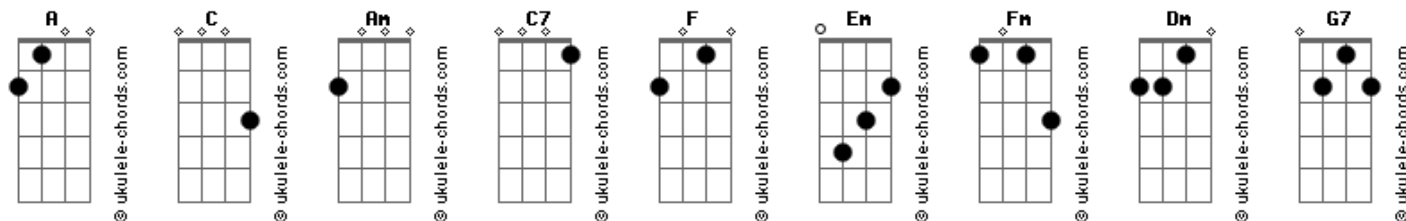

Verse1:

```

    Am                      Am A Am
Strands of light on our bedroom floor
    C7                      C7 C7sus4 F
Change the night through an open door
    F                      Am
I'm awake but this is not my home
    Em                      F Fm C      C Em Am
For the first time I'm not alone
  
```

Verse2:

Acordes

```

    Am                      Am A Am
Reaching out I touch another's skin
    C7                      C7 C7sus4 F
Breathing out as he's breathing in
    F                      Am
Deep inside I feel my soul aflame
    Em                      F Fm C
Can my life ever be the sa---ame
  
```

Chorus:

```

                      F      Fm
I should have told him
                      C                      Dm
That I'd do anything if I could hold him
    G7      C      F      Fm C      F
For just another day, for just a-nother day
    F      Fm      C                      Dm
His love is something I will not forget
    G7      C      F      Fm C      F
When I am far away, when I am far away
    F      Fm C                      Dm
I feel the rainfall of another planet
    G7      F      C
Another planet
  
```
