

Olivia Newton-John - Follow me

Tom: Bb

Used chords:

Gm F Bb Eb Bb Cm F7

Prolog:

It's by far the hardest thing I've ever done
 To be so in love with you and so alone

Chorus:

Follow me where I go what I do and who I know
 Make it part of you to be a part of me
 Follow me up and down all the way and all around
 Take my hand and say you'll follow me

Verse1:

It's long been on my mind, you know it's been a long, long time
 I'll try to find the way that I can make you understand
 The way I feel about you and just how much I need you
 To be there where I can talk to you when there's no one else around.

Chorus

Verse2:

You see, I'd like to share my life with you and show you things I've seen
 Places that I'm going to places where I've been
 To have you there beside me and never be alone
 And all the time that you're with me then we will be at home.
