

# Olivia Newton-John - Soul Kiss

Tom: C

intr. C

G  
Soul kiss  
You left me dreaming  
Now I wonder are things just what they seem

C G  
Well, I get down on my knees (and beg you, baby)

C G  
Get down on my knees

G  
Soul kiss  
Some nights you get me wondering  
Is this the way  
This is a hunger

C G  
Well, I get down on my knees (and beg you, baby)

C G  
Get down on my knees

F  
Somewhere there is a fire burning

Somewhere inside

F  
Somewhere there is a heart that's waiting

G  
To take a ride

C  
To take the ride to your soul kiss

So this is what it has to lead to  
Take my hand and make me need to  
I get down on my knees (and beg you, baby)  
Get down on my knees

Soul kiss  
You left me hoping  
Now I wonder is the door still open  
Well, I get down on my knees (and beg you, baby)  
Get down on my knees

Somewhere there is a fire burning  
Somewhere inside  
Somewhere there is a heart that's waiting  
To take a ride  
To take the ride to your soul kiss
