

# Olivia Newton-John - You Ain't Got the Right

Tom: Bb

Chorus:

Bb F Eb Bb  
 You ain't got the right to tell me I'm not lonely  
 Bb Eb F  
 You don't understand what I've been through  
 Bb F Eb Bb  
 He had every right to do the wrong that he done to me  
 Eb F  
 But that don't make it easier to lose  
 Eb Bb  
 No that don't make it easier to lose

Verse 1:

Bb Eb Bb  
 I woke up Monday morning with the feeling he was gone  
 Eb F  
 And I turned to face an empty place and I realized  
 Gm  
 That I didn't smell no coffee and all his pretty clothes  
 were gone  
 Ab F  
 I cried the first of the many tears you'll see me crying  
 from now on

Chorus:

And you ain't got the right to tell me I'm not lonely

You don't understand what I've been through  
 He had every right to do the wrong that he done to me  
 But that don't make it easier to lose  
 No that don't make it easier to lose

Verse 2:

I know his list of lovers was just as long as mine  
 But the sometime friend of a natural woman is to settle down  
 But the one time ways of that man have done busted up my  
 mind  
 Now he's out the door, he's got one more on his list than I  
 got on mine

Chorus

Verse 3:

Well, it's gonna be a long time before I pass this way again  
 I've been dragged through school and I've learned the rules  
 and it seems to me  
 That a man'll love to fool ya and he won't always fool you  
 nice  
 Yes he had his turn, I guess I've learned and no he ain't  
 gonna fool me twice

Chorus:

And you still ain't got the right to tell me I'm not lonely  
 You don't understand what I've been through  
 He had every right to do the wrong that he done to me  
 But that don't make it easier to lose  
 No that don't make it easier to lose
