 Life just sucks then we all die

Am **F**
 That's just reality, yeah, don't lie to me
C **G**
 Yeah I'm fucked up but I don't wanna be
Am
 I wonder if I'm good enough
F
 But maybe I've had just too much
C
 To drink, to smoke, to swallow
G
 I'm drowning up my sorrows
Am
 There's rules I'll never follow
F
 Pretend there's no tomorrow
C **G**
 I wish there was no tomorrow

Am **F**
 But I'm empty inside, yeah I'm empty inside
C **G**
 And I don't wanna live, but I'm too scared to die
Am **F**

C **G**
 And I don't wanna live, but I'm too scared to die

Am
 Wish I could erase my memories,
F
 so I could stop feeling so empty
C

I wish that shit wasn't so tempting
G
 But it's hard to resist when there's plenty
Am
 of things I could do to fuck me up
F
 I want to let go, but I'm feeling so stuck
C
 So all I can do is fill up my cup
G
 And sit here alone hoping no one disrupts

Am **F**
 That's just reality, yeah, don't lie to me
C **G**
 Yeah I'm fucked up but I don't wanna be
Am
 I wonder if I'm good enough
F
 But maybe I've had just too much
C
 To drink, to smoke, to swallow
G
 I'm drowning up my sorrows
Am
 There's rules I'll never follow
F
 Pretend there's no tomorrow
C **G**
 I wish there was no tomorrow

Am **F**
 But I'm empty inside, yeah I'm empty inside

 My body's shaking
F
 My head is aching
C **G**
 It feels like my heart is breaking
Am
 My body's shaking
F
 My head is aching
C **G**
 I can't fix this mess I'm making

Am **F**
 But I'm empty inside, yeah I'm empty inside
