

Olivia O'Brien - Fuck Feelings

tom:
 Capotraste na 4ª casa

I don't wanna fall for you now
 But it already happened, don't know how
 Now I gotta ghost on you, 'cause I can't get too close to you
 And I'm not tryna fall for you now

I know if they left us all alone
 I'd be losing all my self control
 Now I gotta runaway, before I say what you won't say
 'Cause I can't handle you and me alone

I can't just let go, no, it's not like that
 I know if I see you I'll run right back

Fuck feelings, swear that shit ruined my life

All they ever do is just waste my time

Fuck feelings, swear that shit ruined my life

No, they never do me right

Fuck feeling how I do when I'm feeling it for you

Fuck feelings, fuck feelings, fuck feelings, fuck what I'm feeling
