Cat got my tongue

And I don't think I get along with anyone

G F G F
Blood running cold

I'm on the outside of the greatest inside joke

And I hate all my clothes

Feels like my skin doesn't fit right over my bones

So I guess I should go

The party's done, and I'm no fun, I know, I know

I know, I know

[Refrão]

G Em Bm
I broke a glass, I tripped and fell

I told secrets I shouldn't tell

I stumbled over all my words

I made it weird, I made it worse

Each time I step outside

G Em Bm
It's social suicide

(G Em Bm)

It's social suicide

G Em Bm
Wanna curl up and die

It's social suicide

G F G F

G F
S?archin' "how to start a conversation?"

On a website (How to flirt?)

G F
I talk?d to this hot guy, swore I was his type

G F
Guess that he was makin' out with boys,

Like the whole night (Oh)

G F
Everythin' I do is tragic (Oh)

G F
Every guy I like is gay (Oh)

The morning after I panic (Oh)
