[Verso 1]

There's blood on the side of the mountain  
There's writin' all over the wall  
Shadows of us are still dancin'  
In every room and every hall  
The snow fallin' over the city  
You thought that it would wash away  
The bitter taste of my fury  
And all of the messes you made  
Yeah, you think that you got away

[Verso 1]

[Refrão]

But I'm in the trees, I'm in the breeze  
My footsteps on the ground  
You'll see my face in every place  
But you can't catch me now  
Through wading grass, the months will pass  
You'll feel it all around  
I'm here, I'm there, I'm everywh?re but you can't catch me now  
No, you can't catch me now

[Verso 2]

Bet you thought I'd never do it  
Thought it'd go over my head  
Don't burn the way you'd expect

I bet you figured I'd pass with the winter

Be somethin' easy to forget

Oh, you think I'm gone 'cause I left

[Refrão]

[Refrão]

But I'm in the trees, I'm in the breeze  
My footsteps on the ground  
You'll see my face in every place  
But you can't catch me now  
Through wading grass, the months will pass  
You'll feel it all around  
I'm here, I'm there, I'm everywhere but you can't catch me now  
No, you can't catch me now

[Ponte]

You can't, you can't catch me now  
I'm comin' like a storm into your town  
You can't, you can't catch me now  
I'm higher than the hopes that you brought down  
You can't, you can't catch me now  
I'm comin' like a storm into your town  
You can't, you can't catch me now  
I'm higher than the hopes that you brought down  
You can't, you can't catch me now  
I'm comin' like a storm into your town  
You can't, you can't catch me now  
You can't, you can't, you can't

[Outro]

There's blood on the side of the mountain  
It's turnin' a new shade of red  
Yeah, sometimes the fire you founded  
Don't burn the way you'd expect
