

# Olivia Rodrigo - Drivers License

tom:  
**Bb**  
 [Primeira Parte]  
**Bb**  
 I got my driver's license last week  
 Just like we always talked about  
 Cause you were so excited for me  
 To finally drive up to your house  
 But today I drove through the suburbs  
 Crying 'cause you weren't around  
 And you're probably with that blonde girl  
 Who always made me doubt  
**Gm**  
 She's so much older than me  
 She's everything I'm insecure about  
**Eb**  
 Yeah, today I drove through the suburbs  
**Bb**  
 'Cause how could I ever love someone else?

[Refrão]  
**Eb** **F**  
 And I know we weren't perfect  
**Gm** **Eb** **Bb**  
 But I've never felt this way for no one  
**Eb** **F** **Gm** **Eb**  
 And I just can't imagine how you could be so okay  
**Bb**  
 Now that I'm gone  
**Gm** **F** **Bb**  
 Guess you didn't mean what you wrote  
**Dm** **Eb**  
 In that song about me  
 Cause you said forever  
**F** **Bb**  
 Now I drive alone past your street

[Segunda Parte]  
**Bb**  
 And all my friends are tired  
 Of hearing how much I miss you, but  
**Gm**  
 I kinda feel sorry for them  
 Cause they'll never know you the way that I do, yeah  
**Eb**  
 Today I drove through the suburbs  
**Bb**  
 And pictured I was driving home to you

[Refrão]  
**Eb** **F**

And I know we weren't perfect  
**Gm** **Eb** **Bb**  
 But I've never felt this way for no one  
**Eb** **F** **Gm** **Eb**  
 And I just can't imagine how you could be so okay  
**Bb**  
 Now that I'm gone

**Gm** **F** **Bb**  
 Guess you didn't mean what you wrote  
**Dm** **Eb**  
 In that song about me

Cause you said forever  
**F** **Bb**  
 Now I drive alone past your street

[Ponte]  
**Gm**  
 Red lights, stop signs  
**Eb**  
 I still see your face in the white cars, front yards  
**F** **Gm**  
 Can't drive past the places we used to, go to  
**Eb** **Bb**  
 Cause I still fuckin' love you, babe  
**F**  
 Ooh oh oh oh oh oh

**Gm**  
 Sidewalks we crossed  
**F** **Eb**  
 I still hear your voice in the traffic  
**F**  
 We're laughing over all the noise  
**Gm**  
 God I'm so blue, know we're through  
**Eb** **Bb**  
 But I still fuckin' love you, babe  
**F**  
 Ooh oh oh oh oh oh

[Refrão]  
**Eb** **F**  
 And I know we weren't perfect  
**Gm** **Eb** **Bb**  
 But I've never felt this way for no one  
**Eb** **F** **Gm** **Eb**  
 And I just can't imagine how you could be so okay  
**Bb**  
 Now that I'm gone

**Gm** **F** **Dm**  
 Guess you didn't mean what you wrote  
**Eb**  
 In that song about me  
**Gm**  
 Cause you said forever  
**F** **Bb**  
 Now I drive alone past your street  
**Eb**  
 Yeah, you said forever  
**F** **Bb**  
 Now I drive alone past your street
