

Olivia Rodrigo - Drivers License

F tom:

[Primeira Parte]

C I got my driver's license last week
 Just like we always talked about
 Cause you were so excited for me
 To finally drive up to your house
 But today I drove through the suburbs
 Crying 'cause you weren't around

C And you're probably with that blonde girl
 Who always made me doubt
 Am She's so much older than me
 She's everything I'm insecure about
 F Yeah, today I drove through the suburbs
 'Cause how could I ever love someone else?

[Refrão]

F And I know we weren't perfect
 Am But I've never felt this way for no one
 F And I just can't imagine how you could be so okay
 C Now that I'm gone

F G Am F C
 Guess you didn't mean what you wrote in that song about me
 F G C
 Cause you said forever, now I drive alone past your street

[Segunda Parte]

C And all my friends are tired
 Am Of hearing how much I miss you, but
 Am I kinda feel sorry for them
 F Cause they'll never know you the way that I do, yeah
 Today I drove through the suburbs

C And pictured I was driving home to you

[Refrão]

F G
 And I know we weren't perfect but
 Am F C
 But I've never felt this way for no one, oh-oh
 F G Am F
 And I just can't imagine how you could be so okay
 C
 Now that I'm gone

F G Am F C
 I guess you didn't mean what you wrote in that song about me
 F G C
 Cause you said forever, now I drive alone past your street

[Ponte]

Am Red lights, stop signs
 Am I still see your face in the white cars, front yards
 F C
 Can't drive past the places we used to, go to
 C G
 Cause I still fuckin' love you, babe
 G
 Ooooooooooh

Am Sidewalks we crossed

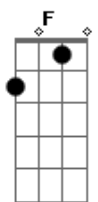

F
 I still hear your voice in the traffic
 F
 We're laughing over all the noise
 C
 God I'm so blue, know we're through
 C G
 But I still fuckin' love you, babe
 F
 Ooooooooooh

[Refrão]

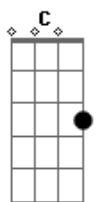

F G
 I know we weren't perfect
 Am F C
 But I've never felt this way for no one
 F G Am F
 And I just can't imagine how you could be so okay
 C
 Now that I'm gone

F G Am F C
 Cause you didn't mean what you wrote in that song about me
 F G C
