

Olivia Rodrigo - Driver's License

tom:

A

[Primeira Parte]

G I got my driver's license last week
 Just like we always talked about
 'Cause you were so excited for me
 To finally drive up to your house
 But today I drove through the suburbs
 Crying 'cause you weren't around
 And you're probably
 With that blonde girl

Who always made me doubt

Em She's so much older than me

She's everything I'm insecure about

Cadd9 Yeah, today I drove

Through the suburbs

'Cause how could I ever

G Love someone else

[Refrão]

Cadd9 And I know we weren't perfect

But I've never felt this way

G For no one

Cadd9 And I just can't imagine

How you could be so okay

G Now that I'm gone

Em D I guess you didn't mean

G Bm Cadd9 What you wrote in that song about me

Am 'Cause you said forever

D G Now I drive alone past your street

[Segunda Parte]

All my friends are tired

Of hearing how much I miss you but

Em I kinda feel sorry for them

'Cause they'll never know you

The way that I do, yeah

Cadd9 Today I drove through the suburbs

G And pictured I was driving home to you

[Refrão]

Cadd9

And I know we weren't perfect

But I've never felt this way

G For no one

Cadd9 And I just can't imagine

How you could be so okay

G Now that I'm gone

Em D I guess you didn't mean

G Bm Cadd9 What you wrote in that song about me

Am 'Cause you said forever

D G Now I drive alone past your street

[Terceira Parte]

Em Red lights, stop signs

Cadd9 I still see your face

G In the white cars, front yards

D Can't drive past the places

Em We used to, go to

Cadd9 'Cause I still fucking love you, babe G

D Uhhh..

Em Sidewalks we cross

Cadd9 G I still hear your voice in the traffic

D We're laughing over all the noise

Em God I'm so blue, know we're through

Cadd9 G But I still fucking love you, babe

D Uhhh..

[Refrão Final]

Cadd9 And I know we weren't perfect

But I've never felt this way

G For no one

Cadd9 And I just can't imagine

How you could be so okay

G Now that I'm gone

Em D I guess you didn't mean

Bm D Cadd9 What you wrote in that song about me

Am 'Cause you said forever

D G Now I drive alone past your street

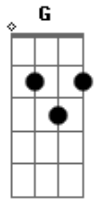

Am 'Cause you said forever

D Em Now I drive alone past your street
