

# Olivia Rodrigo - Drivers License

tom:  
C (forma dos acordes no tom de A )  
Capostrate na 3ª casa

[Primeira Parte]

G  
I got my driver's license last week  
Just like we always talked about Em  
'Cause you were so excited for me Cadd9  
To finally drive up to your house  
But today I drove through the suburbs G  
Crying 'cause you weren't around  
And you're probably  
With that blonde girl  
Who always made me doubt Em  
She's so much older than me  
She's everything I'm insecure about Cadd9  
Yeah, today I drove  
Through the suburbs  
'Cause how could I ever G  
Love someone else

[Refrão]

Cadd9  
And I know we weren't perfect  
But I've never felt this way G  
For no one Cadd9  
And I just can't imagine  
How you could be so okay G  
Now that I'm gone Em D  
I guess you didn't mean G Bm Cadd9  
What you wrote in that song about me Am  
'Cause you said forever D G  
Now I drive alone past your street

[Segunda Parte]

All my friends are tired  
Of hearing how much I miss you but Em  
I kinda feel sorry for them  
'Cause they'll never know you  
The way that I do, yeah Cadd9  
Today I drove through the suburbs G  
And pictured I was driving home to you

[Refrão]

Cadd9  
And I know we weren't perfect  
But I've never felt this way G  
For no one Cadd9  
And I just can't imagine  
How you could be so okay G  
Now that I'm gone Em D  
I guess you didn't mean G Bm Cadd9  
What you wrote in that song about me Am  
'Cause you said forever D G  
Now I drive alone past your street

[Terceira Parte]

Em  
Red lights, stop signs Cadd9  
I still see your face G  
In the white cars, front yards D  
Can't drive past the places Em  
We used to, go to Cadd9  
'Cause I still fucking love you, babe G  
Uhhh.. D

Em  
Sidewalks we cross Cadd9 G  
I still hear your voice in the traffic D  
We're laughing over all the noise Em  
God I'm so blue, know we're through Cadd9 G  
But I still fucking love you, babe D  
Uhhh..

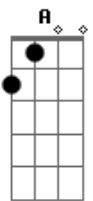

[Refrão Final]

Cadd9  
And I know we weren't perfect  
But I've never felt this way G  
For no one Cadd9  
And I just can't imagine  
How you could be so okay G  
Now that I'm gone Em D  
I guess you didn't mean Bm D Cadd9  
What you wrote in that song about me Am  
'Cause you said forever D G  
Now I drive alone past your street Am  
'Cause you said forever D Em  
Now I drive alone past your street
