

Olivia Rodrigo - Drivers License

tom:
C (forma dos acordes no tom de A)
Capostrate na 3ª casa

[Primeira Parte]

G
I got my driver's license last week
Just like we always talked about Em
'Cause you were so excited for me Cadd9
To finally drive up to your house
But today I drove through the suburbs G
Crying 'cause you weren't around
And you're probably
With that blonde girl
Who always made me doubt Em
She's so much older than me
She's everything I'm insecure about Cadd9
Yeah, today I drove
Through the suburbs
'Cause how could I ever G
Love someone else

[Refrão]

Cadd9
And I know we weren't perfect
But I've never felt this way G
For no one Cadd9
And I just can't imagine
How you could be so okay G
Now that I'm gone Em D
I guess you didn't mean G Bm Cadd9
What you wrote in that song about me Am
'Cause you said forever D G
Now I drive alone past your street

[Segunda Parte]

All my friends are tired
Of hearing how much I miss you but Em
I kinda feel sorry for them
'Cause they'll never know you
The way that I do, yeah Cadd9
Today I drove through the suburbs G
And pictured I was driving home to you

[Refrão]

Cadd9
And I know we weren't perfect
But I've never felt this way G
For no one Cadd9
And I just can't imagine
How you could be so okay G
Now that I'm gone Em D
I guess you didn't mean G Bm Cadd9
What you wrote in that song about me Am
'Cause you said forever D G
Now I drive alone past your street

[Terceira Parte]

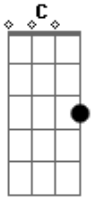

Em
Red lights, stop signs Cadd9
I still see your face G
In the white cars, front yards D
Can't drive past the places Em
We used to, go to Cadd9
'Cause I still fucking love you, babe G
Uhhh.. D

Em
Sidewalks we cross Cadd9 G
I still hear your voice in the traffic D
We're laughing over all the noise Em
God I'm so blue, know we're through Cadd9 G
But I still fucking love you, babe D
Uhhh..

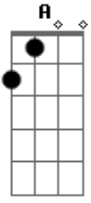

[Refrão Final]

Cadd9
And I know we weren't perfect
But I've never felt this way G
For no one Cadd9
And I just can't imagine
How you could be so okay G
Now that I'm gone Em D
I guess you didn't mean Bm D Cadd9
What you wrote in that song about me Am
'Cause you said forever D G
Now I drive alone past your street Am
'Cause you said forever D Em
Now I drive alone past your street
