

# Olivia Rodrigo - Drivers License

tom:  
**Bb** (forma dos acordes no tom de **G**)  
 Capotraste na 3ª casa

[Primeira Parte]

**G**  
 I got my driver's license last week  
 Just like we always talked about **Em**  
 'Cause you were so excited for me  
 To finally drive up to your house **C**  
 But today I drove through the suburbs  
 Crying 'cause you weren't around **G**

**G**  
 And you're probably with that blonde girl  
 Who always made me doubt  
**Em**  
 She's so much older than me  
 She's everything I'm insecure about  
**C**  
 Yeah, today I drove through the suburbs  
 'Cause how could I ever love someone else? **G**

[Refrão]

**C**  
 And I know we weren't perfect  
 but I've never felt this way for no one **G**  
**C**  
 And I just can't imagine how you could be so okay  
 now that I'm gone **G**

**Em** **D** **G** **D** **C**  
 Guess you didn't mean what you wrote in that song about me  
**C** **D** **G**  
 'Cause you said forever, now I drive alone past your street

[Segunda Parte]

**G**  
 And all my friends are tired  
 of hearing how much I miss you, but  
**Em**  
 I kinda feel sorry for them  
 'Cause they'll never know you the way that I do, yeah **C**

Today I drove through the suburbs **G**  
 and pictured I was driving home to you

[Refrão]

**C**  
 And I know we weren't perfect but  
 but I've never felt this way for no one, oh-oh **G**  
**C**  
 And I just can't imagine how you could be so okay  
 now that I'm gone **G**

**Em** **D** **G** **D** **C**  
 I guess you didn't mean what you wrote in that song about me  
**C** **D** **G**  
 'Cause you said forever, now I drive alone past your street  
 [Ponte]

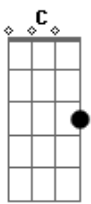

**Em**  
 Red lights, stop signs  
**C** **G**  
 I still see your face in the white cars, front yards  
**D** **Em**  
 Can't drive past the places we used to go to  
**C** **G**  
 'Cause I still fuckin' love you, babe  
**D**  
 Ooooooooooh

**Em**  
 Sidewalks we crossed  
**C** **G**  
 I still hear your voice in the traffic  
**D**  
 We're laughing over all the noise  
**Em**  
 God I'm so blue, know we're through  
**C** **G**  
 But I still fuckin' love you, babe  
**D**  
 Ooooooooooh

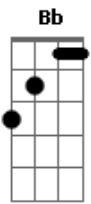

[Refrão]

**C**  
 I know we weren't perfect  
 but I've never felt this way for no one **G**  
**C**  
 And I just can't imagine how you could be so okay  
 now that I'm gone **G**  
**Em** **D** **G** **D** **C**  
 'Cause you didn't mean what you wrote in that song about me  
**C** **D** **G**  
 'Cause you said forever, now I drive alone past your street  
**C** **D** **Em**  
**G**  
 Yeah, you said forever, now I drive alone past your street
