

# Olivia Rodrigo - Drivers License

tom:  
 Bb (forma dos acordes no tom de G )  
 Capostraste na 3ª casa

[Primeira Parte]

G I got my driver's license last week  
 Just like we always talked about

'Cause you were so excited for me  
 To finally drive up to your house

But today I drove through the suburbs  
 Crying 'cause you weren't around

G And you're probably with that blonde girl

Who always made me doubt

Em She's so much older than me

She's everything I'm insecure about

C Yeah, today I drove through the suburbs

'Cause how could I ever love someone else?

[Refrão]

C And I know we weren't perfect

but I've never felt this way for no one

C And I just can't imagine how you could be so okay

G now that I'm gone

Em D G D C  
 Guess you didn't mean what you wrote in that song about me

C 'Cause you said forever, now I drive alone past your street

[Segunda Parte]

G And all my friends are tired

of hearing how much I miss you, but

Em I kinda feel sorry for them

'Cause they'll never know you the way that I do, yeah

Today I drove through the suburbs  
 G and pictured I was driving home to you

[Refrão]

C And I know we weren't perfect but

G but I've never felt this way for no one, oh-oh

C And I just can't imagine how you could be so okay

G now that I'm gone

Em D G D C  
 I guess you didn't mean what you wrote in that song about me

C 'Cause you said forever, now I drive alone past your street

Em Red lights, stop signs

C I still see your face in the white cars, front yards

D Can't drive past the places we used to go to

C 'Cause I still fuckin' love you, babe

D Ooooooooooh

Em Sidewalks we crossed

C I still hear your voice in the traffic

D We're laughing over all the noise

Em God I'm so blue, know we're through

C But I still fuckin' love you, babe

D Ooooooooooh

[Refrão]

C I know we weren't perfect

G but I've never felt this way for no one

C And I just can't imagine how you could be so okay

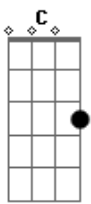

G now that I'm gone

Em D G D C  
 'Cause you didn't mean what you wrote in that song about me

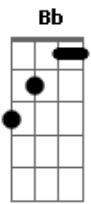

C 'Cause you said forever, now I drive alone past your street

G Yeah, you said forever, now I drive alone past your street
