

Olivia Rodrigo - Get Him Back!

tom:
 F (forma dos acordes no tom de D)
 Capotraste na 3ª casa
 Intro: One, two, three

Wait, is this the song with the drums?

[Primeira Parte]

I met a guy in the summer, and I left him in the spring
 He argued with me about everything
 He had an ego and a temper, and a wandering eye
 He said he's six foot two, and I'm like, "Dude, nice try"
 But he was so much fun, and he had such weird friends
 And he would take us out to parties, and the night would never end
 Another song, another club, another bar, another dance
 And when h? said, "Something wrong?," he'd just fly me to Franc?
 So I miss him some nights when I'm feelin' depressed
 'Til I remember every time he made a pass on my friend
 Do I love him? Do I hate him? I guess it's up and down
 If I had to choose, I would say it right now

[Refrão]

I wanna get him back
 I wanna make him really jealous, wanna make him feel bad
 Oh, I wanna get him back
 'Cause then again, I really miss him, and it makes me real sad
 Oh, I want sweet revenge
 And I want him again
 I want to get him back (Back, back)

[Segunda Parte]

So I write him all these letters, then I throw them in the trash
 'Cause I miss the way he kisses and the way he made me laugh
 Yeah, I pour my little heart out, but as I'm hitting "send"
 I picture all the faces of my disappointed friends
 Because everyone knew all of the shit that he'd do
 He said I was the only girl, but that just wasn't the truth
 And when I told him how he hurt me, he told me I was trippin'
 But I am my father's daughter, so maybe I could fix him

[Refrão]

I wanna get him back

I wanna make him really jealous, wanna make him feel bad
 Oh, I wanna get him back
 'Cause then again, I really miss him, and it makes me real sad
 Oh, I want sweet revenge
 And I want him again
 I want to get him back (Again?)
 I want to get him back (Back, back)

[Ponte]

I wanna key his car (I want to get him back)
 I wanna make him lunch (And then I, I want to get him back)
 I wanna break his heart (Then I, I want to get him back)
 Then be the one to stitch it up
 (And then I, I want to get him back)
 Wanna kiss his face (And then I, I want to get him back)
 With an uppercut (Then I, I want to get him back)
 I wanna meet his mom (And then I, I want to get him back)
 Just to tell her, her son sucks
 (Then I, I want to get him back)
 Oh, I wanna key his car, I wanna make him lunch
 (Then I, I want to get him back)
 I wanna break his heart, stitch it right back up
 (Then I, I want to get him back)
 I wanna kiss his face with an uppercut
 (I want to get him back)
 I wanna meet his mom and tell her, her son sucks, yeah
 (Then I, I want to get him back)

[Refrão]

I wanna get him back
 I wanna make him really jealous, wanna make him feel bad
 Oh, I wanna get him back
 'Cause then again, I really miss him, and it makes me real sad
 Oh, I want sweet revenge
 And I want him again
 I want to get him back (Again?)
 I want to get him back (Back, back)
