

Olivia Rodrigo - L-o-v-e

tom: C

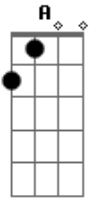

A Monday morning you meet me at the hotel
 You bought me coffee just to spill it on yourself
 But you never take things seriously
 It's kinda why I like you so much honestly
 I wrote a note and left it folded in your pocket
 You taped it to your wall in your New York apartment
 Kissing in the taxi cab
 'Til the driver gives us dirty looks back
 Oh, it's l-o-v-e
 Or something like that

You're crazy
 But it's not in a bad way
 Dancing on the highway
 You make me feel older than 17
 Yeah, this is l-o-v-e
 Or something really close
 Hey baby
 I think you're really dope
 I honestly don't know why
 I should ever leave your side
 'Cause this is love, right?
