

# Olivia Rodrigo - L-o-v-e

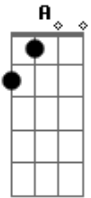

tom:  
 C  
 C  
 A Monday morning you meet me at the hotel  
 C You bought me coffee just to spill it on yourself  
 F But you never take things seriously  
 G It's kinda why I like you so much honestly  
 C I wrote a note and left it folded in your pocket  
 C You taped it to your wall in your New York apartment  
 F Kissing in the taxi cab  
 G 'Til the driver gives us dirty looks back  
 C Oh, it's l-o-v-e  
 C Or something like that

You're crazy  
 F But it's not in a bad way  
 Dancing on the highway  
 G You make me feel older than 17  
 C Yeah, this is l-o-v-e  
 C Or something really close  
 Hey baby  
 F I think you're really dope  
 I honestly don't know why  
 G I should ever leave your side  
 'Cause this is love, right?  
 [Final] C
