

# Olivia Rodrigo - logical

tom:  
Intro: G Em

G  
Master manipulator

Em  
God, you're so good at what you do

C  
Come for me like a savior

C  
And I'd put myself through hell for you

G  
Hear all the rumors lately

G  
That you always denied

G  
I fell for you like water

Em  
Falls from the February sky

C  
But now the current's stronger

C  
No, I couldn't get out if I tried

G  
But you convinced me, baby

G  
It was all in my mind

G  
And now you got me thinking

G  
Two plus two equals five

Em  
And I'm the love of your life

Em  
'Cause if rain don't pour and Sun don't shine

C  
Then changing you is possible

G  
No, love is never logical

G  
You built a giant castle

Em  
With walls so high I couldn't see

C  
The way it all unraveled

C  
And all the things you did to me

G  
You lied, you lied, you lied, oh

G  
And now you got me thinking

G  
Two plus two equals five

G  
And I'm the love of your life

Em  
'Cause if rain don't pour and Sun don't shine

C  
Then changing you is possible

C  
I guess love is never logical

G  
The sky is green, the grass is red

C  
And you mean all those words you said

Em  
I'm sure that girl is really your friend

C  
Our problems are all solvable

C  
'Cause loving you is loving every

G  
Argument you held over my head

Em  
Brought up the girls you could have instead

Em  
Said I was too young, I was too soft

C  
Can't take a joke, can't get you off

C  
Oh, why do I do this?

C  
I look so stupid Thinking

G  
Two plus two equals five

C  
And I'm the love of your life

Em  
'Cause if rain don't pour and Sun don't shine

C  
Then changing you is possible

G  
No, love is never logical

G  
Logical, logica

G  
Love is never logical

Em  
I know I'm half responsible

Em  
And that makes me feel horrible

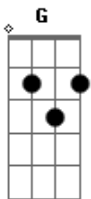

C  
Oh, logical, logical

C  
Love is never logical

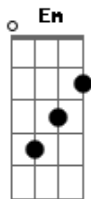

G  
I know I could've stopped it all

G  
God, why didn't I stop it all?
