

Olivia Rodrigo - ?Scared Of My Guitar

tom:

Intro: G D G ^DBm7

[Primeira Parte]

G ^D
Perfect, easy, so good to me

So why's there a pit in my gut in the shape of you?

G ^D
Distract myself, say it's somethin' else

Maybe I'm just overwhelmed, maybe I'm confused

[Pré-Refrão]

^{Bm} ^{D7}
Barely sleep when you sleep next to me

^{Bm7}
But I keep thinkin' I'll find a cure

^{D7}
I say that I'm fine, I tell you all the time

^A
I've never felt so happy and sure

[Refrão]

^D
But I'm so scared of my guitar

^G
'Cause it cuts right through to the heart

^D ^{Bm7}
Yeah, it knows me too well so I got no excuse

^G ^A
I can't lie to it the same way that I lie to you

^D
I'm so scared of my guitar

^G
If I play it, then I'll think too hard

^D
Once you let the thought in, then it's already done

^G ^D
So I lay in your arms and pretend that it's love

[Segunda Parte]

^G ^D
If I was brave and noble like you

I'd have the nerve to just stop stringin' you along

^G ^{Bm7}
But I'm not half as decent as you

^{Bm}
I'd rather be tied to someone, even if they're wrong

[Pré-Refrão]

^{D7}
I make excuses, my friends know the truth is

^{Bm7}
I'm not as alright as I claim

^{D7}
I say that I'm fine, I tell them all the time
