

Olivia Rodrigo - Stranger

tom:
C [Intro] C

C
I woke up this mornin' and I
Sat up straight in bed
Am
I had the strangest feeling of
This weight off of my chest
F
I hadn't felt that hopeful since
The day that you left
G G7
And it felt nice, so nice
C
And everybody told me
It would happen in time
Am
The fire would burn out and
All the storm clouds would subside
F
And I always believed that
It was some comforting lie
G G7
But it feels nice, so nice
'Cause I was half myself without you
F C
And now I feel so complete
And I can't even remember what
F C
Made me lose all that sleep
F
I cried a million rivers for you, but
C
That's over now
You're just a stranger I know
G F
Everything about, ooh, ooh
C
You're just a stranger I know
G F
Everything about
C
Made a pot of coffee and
I poured myself a cup
Am
I thought of all the things
I did to try and win your love
F
How did that happen? I can't imagine
Ever doin' all that stuff for
G
Just some guy
G7
Like, you're just some guy
C
Oh, but I hope that you're happy, babe
You know I really do
Am

And God knows that I am
The girl I am because of you
F
You know I'll always think of you
I'll love you till the end of time
G
You are the best thing that
G
I'll ever keep so far out of my life
C
Yeah, I was half myself without you
F C
Now I feel so complete
I can't even remember what
F C
Made me lose all that sleep
I cried a million rivers for you
F C
But that's over now
You're just a stranger I know
G F
Everything about, ooh, ooh
C
You're just a stranger I know
G F
Everything about
C Em Am
There's nothin' left for me to know
F
I had to stay, you had to go
And it was mean, but it doesn't
G
Matter anymore, though
C Em Am
There's nothin' left for me to sing
I screamed, I cried, I did the whole
F
Thing
And I loved you mad, but
G
It doesn't matter anymore, no
C
I was half myself without you
F C
Now I feel so complete
C
And if I'm not enough for you
F C
You're not enough for me
C
I fought a million battles
F C
But you can't get to me now
You're just a stranger I know
G F
Everything about, ooh, ooh
C
You're just a stranger I know
G F
Everything about
C
You're just a stranger I know
G C
