 The best part is knowing there's
 Something in my dreams
 Am F
 That always makes me smile, it's you
 C
 The best part is knowin'
 G
 There's someone in my life
 Am F
 That makes it all worthwhile
 Dm
 It's you
 F

When I don't know what to do
 C
 No, I'm never giving up
 G

 Am F
 There's no need to be blue
 Because
 C G
 The best part is knowing there's
 Something in my dreams
 Am F
 That always makes me smile, it's you
 C
 The best part is knowin'
 G
 There's someone in my life
 Am F
 That makes it all worthwhile
