[Primeira Parte]

I have nightmares each week 'bout that Friday in May
 One phone call from you and my entire world was changed
 Trust that you betrayed, confusion that still lingers
 Took everything I loved and crushed it in between your fingers
 And I doubt you ever think about the damage that you did
 But I hold onto every detail like my life depends on it
 My undying love, now I hold it like a grudge
 Now I hear your voice every time that I think I'm not enough

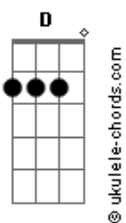

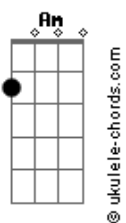

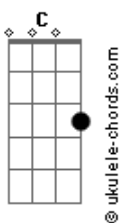

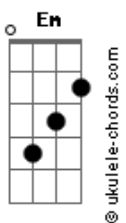

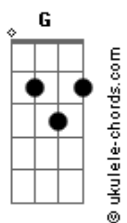

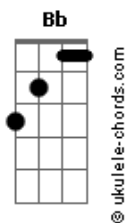

[Refrão]

And I try to be tough, but I wanna scream
 How could anybody do the things you did so easily?
 And I say I don't care, I say that I'm fine
 But you know I can't let it go, I've tried, I've tried, I've tried for so long
 It takes strength to forgive, but I don't feel strong

[Segunda Parte]

The arguments that I've won against you in my head
 In the shower, in the car, and in the mirror before bed
 Yeah, I'm so tough when I'm alone, and I make you feel so guilty
 And I fantasize about a time you're a little fuckin' sorry
 And I try to understand why you would do this all to me

Acordes

You must be insecure, you must be so unhappy
 And I know, in my heart, hurt people, hurt people
 And we both drew blood,
 But, man, those cuts were never equal

[Refrão]

And I try to be tough, but I wanna scream
 How could anybody do the things you did so easily?
 And I say I don't care, I say that I'm fine
 But you know I can't let it go, I've tried, I've tried, I've tried for so long
 It takes strength to forgive, but I don't feel strong

[Ponte]

Ooh, ooh-ooh, do you think I deserved it all?
 Ooh, ooh-ooh, your flower's filled with vitriol
 You built me up to watch me fall
 You have everything, and you still want more

[Refrão]

I try to be tough, I try to be mean
 But even after all this, you're still everything to me
 And I know you don't care, I guess that that's fine
 But you know I can't let it go, I've tried, I've tried, I've tried for so long
 It takes strength to forgive, but I'm not quite sure I'm there yet
 It takes strength to forgive, but
