tom:

Dm

Dm C

You sat there

G F

And I couldn't believe just a word you say

Dm C
Can imagine that

G F

You never really was in touch with reality

Dm C

Your kiss so sweet

G F
Your heart so cold

Dm C
I can believe I did

G F
Almost send you home

Dm C G F

Can't afford my sanity to live in the way you do

Dm C G F
Can't close my eyes and see miracles and hot air balloons

Dm C G F
So save your good manners

Dm C G F
They won't take you to Santa

Dm C

You touched me

G F

And Oh God I've waited for so long

Dm C

So glad I did see

G F

That you were so wrong, that you were so wrong

Dm C

Your kiss so sweet

G F
Your heart so cold

Dm C
I can't believe I did

G F
Think I wasn't alone

Dm C G F

Can't afford my sanity to live in the way you do

Dm C G F
Can't close my eyes and see miracles and hot air balloons

Dm C G F
So save your good manners

Dm C G F
They won't take you to Santa

Dm G

If you could only see

C F
The look upon your face

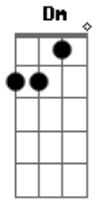

Dm G
Finding out about

C F
Climate change

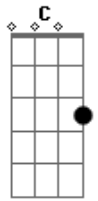

Dm C G F

Can't afford my sanity to live in the way you do
