

Oliver The Kid - BBBlue

Tom: C

^C
 I thought that I warned you about the woods:
^{Em}
 The pain they caused me, the life it took
^C ^{Am}
 But, here you are now centered & stark
^{Em} ^G
 The sun shines through & lights you up
^C ^{Am}
 But, just as it makes you warm & makes you feel special
^{Em} ^G
 It also drains you red just like the devils
^C
 I'm green just like the woods
^{Am}
 You're blue just like the ocean
^{Em} ^G
 Your colors drown mine out in one fluid motion
^C ^{Am} ^{Em}
 I don't want to be the one who corrupted you
^G ^C
 Not you, my baby blue
^{Am} ^{Em}
 Another devil on my back
^G
 The straw that will blow my stack
^C
 I know that you're weary of me, careful of me
^{Am}
 You don't have to be afraid of me, scared of me
^{Em}
 I know that you care for me, now
^G
 & I'm here for you
^C
 I know that you're weary of me, careful of me
^{Am}
 You don't have to be afraid of me, scared of me
^{Em} ^G
 I never tried to corrupt you
^C
 Oh no, not again

^{Am}
 It claimed another
^{Em} ^G
 First it was my friends & now it's my lover
^C
 I'll burn these fucking woods
^{Am}
 I'll start the God damn fire
^{Em} ^G
 Just to try and save you from the wolves that got you dire
^C ^{Am} ^{Em}
 I don't want to be the one who corrupted you
^G ^C
 Not you, my baby blue
^{Am} ^{Em}
 Another devil on my back
^G
 The straw that will blow my stack
^C
 I know that you're weary of me, careful of me
^{Am}
 You don't have to be afraid of me, scared of me
^{Em}
 I know that you care for me, now
^G
 & I'm here for you
^C
 I know that you're weary of me, careful of me
^{Am}
 You don't have to be afraid of me, scared of me
^{Em} ^G
 I never tried to corrupt you
^C ^{Am}
 Well, I guess that I was the one who corrupted you
^{Em} ^G
 & I guess that I have to come running back in
^C
 I'm gonna burn it down
^{Am}
 I'm gonna burn it down
^{Em} ^G
 I'm coming in
