

Ollie MN - Please Never Fall In Love Again

Tom: **Bb**

(forma dos acordes no tom de **G**)
Capostrate na 3ª casa

Could've been one lonely night
Just like the others

But you lit up my life
This is what it's like to be lovers

You and me
Need never be
Lonely again

Spin with me
Endlessly
Or at least until the end

Please never fall in love again
Please never fall in love again

Oh, please never fall in love again

And if some other guy
Catches your eye
Please

Just text me your goodbye
You know I don't look pretty when I cry

And
I don't want that to be
Your final glimpse of me
Baaa-by
But if you could please
Return my Shrek DVDs
Maaay-be

Please never fall in love again
Oh, please never fall in love again
Please
