No magazines or DVD's we both got
Better things to do
I'll hold your hand
Or shall we dance together
It's so hard to choose

Every time we hear
The whole world rush by
I know that we're not crazy

We spend all our time lying side by side
Getting nowhere, it's really something
Getting busy doing nothing
We spend all our time running for our lives
Getting nowhere, it's really something
Getting busy, doing nothing.

Should be working hard
Instead of lying here naked
Phone rings but I wont take it
Cos you only get one life... only get one life
