

# Olly Murs - Seasons

Tom: Bb

(com acordes na forma de Capostraste na 3ª casa G )  
 Listen honey, to every word I say I know that you don't trust me  
 But I'm better than the stories about me  
 Everybody messes up some days, Ain't got no rhyme or reason  
 All I know is I'm yours, yours, yours for every season  
 ( Em C G Am Em C G D )

Baby girl with the broken smile, Would you mind if I stayed awhile  
 And if you're cold I could light your fire If that's what you want, if that's what you want  
 I admit that I've done some wrong, But those wrongs helped me write this song  
 And through it all I figured out where I belong, Right by your side, right by your side

They say that hearts don't lie, The head might try but it won't be right  
 Ya tell me what you feel inside, Tonight, tonight, tonight, tonight

Refrão:

Verso 2:

Baby girl let your hair hang down, And if we're lost, baby let's get found  
 And when your world is flipping upside down, Let's make it right, let's make it right  
 They say that hearts don't lie, The head might try but it won't be right  
 Ya tell me what you feel inside, Tonight, tonight, tonight, tonight

Refrão:

Ponte:

Winter, summer, spring and fall, I'll be on the line waiting for your call  
 Winter, summer, spring and fall, I'll be on the line waiting for your call  
 Winter, summer, spring and fall, I'll be on the line waiting for your call
