

# Olly Murs - Sophie

Tom: Gb

(com acordes na forma de E )  
 Capotraste na 2ª casa  
 Intro: E

Verso 1:

A little bit of heaven, a whole lot of hell  
 Don't know where this is going, but I know this feeling well  
 You leave without a warning, you take my wallet and my keys  
 Don't come back until the morning, I'm begging baby please

Refrão:

Sophie baby are you going crazy  
 Why d'you have to go so far  
 Sophie if you're trying to destroy me you don't have to work so hard  
 There must be an easier way to break my heart

Verso 2:

Smoke is coming from the kitchen, and it doesn't smell like food  
 And all my clothes are missing, but there's no sign of you

And when I dial your number, I end up talking to that dude

You're always saying he's your brother, but I don't believe you

Refrão:

Sophie baby are you going crazy  
 Why d'you have to go so far  
 Sophie if you're trying to destroy me you don't have to work so hard  
 There must be an easier way to break my heart

Ponte:

Loving you is all I wanna, all I, all I really wanna do  
 ( A )  
 So come on Sophie all I wanna, all I, all I really want is you

Refrão:

Sophie baby are you going crazy  
 Why d'you have to go so far  
 Sophie if you're trying to destroy me you don't have to work so hard  
 There must be an easier way to break my heart

## Acordes
