

Olly Murs - Sophie

Tom: Gb

(com acordes na forma de E)
 Capotraste na 2ª casa
 Intro: E

Verso 1:

A little bit of heaven, a whole lot of hell
 Don't know where this is going, but I know this feeling well
 You leave without a warning, you take my wallet and my keys
 Don't come back until the morning, I'm begging baby please

Refrão:

Sophie baby are you going crazy
 Why d'you have to go so far
 Sophie if you're trying to destroy me you don't have to work so hard
 There must be an easier way to break my heart

Verso 2:

Smoke is coming from the kitchen, and it doesn't smell like food
 And all my clothes are missing, but there's no sign of you

And when I dial your number, I end up talking to that dude
 You're always saying he's your brother, but I don't believe you

Refrão:

Sophie baby are you going crazy
 Why d'you have to go so far
 Sophie if you're trying to destroy me you don't have to work so hard
 There must be an easier way to break my heart

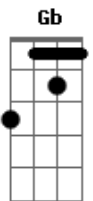

Ponte:

Loving you is all I wanna, all I, all I really wanna do
 (A)
 So come on Sophie all I wanna, all I, all I really want is you

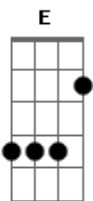

Refrão:

Sophie baby are you going crazy
 Why d'you have to go so far
 Sophie if you're trying to destroy me you don't have to work so hard
 There must be an easier way to break my heart
