Tom: D

This is ^{Bm} my ^G confessional
 Pen and paper round gonna write this down ^A
 Saying ^{Bm} things you never thought ^G
 That were on my mind ^D
 Let the truth pour out ^A
 Cause I'm tired of the games ^{Bm}
 I won't lie, no I'm not ok! ^G
 You were wrong you're to blame ^A
 Now the world knows your name ^D
 So here you go ^{Bm} ^G
 You're finally getting a song about you on the ra-dio ^D ^A ^{Bm} ^G
 Are you happy now that you broke me down!
 Now I curse the day that I met you ^{Bm} ^G
 I hope you know this song is about you ^D ^A
 This was no mistake, yes I meant to ^{Bm} ^G
 I hope you know this song is about you, about you!
 This song is about you, yeah!
 Seems I'm feeling better now ^{Bm} ^G
 I like the way your head's lifting off my chest ^D ^A
 Should've done this months ago ^{Bm} ^G
 If I knew back then it would feel like this ^D ^A
 Cause you've done all the games ^{Bm} ^G
 I won't lie, no I'm not ok ^D ^A
 You were wrong, you're to blame ^{Bm} ^G
^D ^A

Now the world knows your name!

So here you go ^{Bm} ^G
 You're finally getting a song about you on the ra-dio ^D ^A ^{Bm} ^G
