

Onda - Alô, Meu Deus

tom:

Intro: D A7

Alô, meu Deus, fazia tanto tempo

Que eu não mais te procurava

Alô, meu Deus, senti saudades tuas

E acabei voltando aqui

Andei por mil caminhos

E como as andorinhas

Eu vim fazer meu ninho em tua casa e repousar

Embora eu me afastasse e andasse desligado

Meu coração cansado resolve___u voltar

Refr.: /:Eu não me acostumei

Nas terras onde andei.:/

Alô, meu Deus, fazia tanto tempo

Que eu não mais te procurava

Alô, meu Deus, senti saudades tuas

E acabei voltando aqui

Gastei a minha herança

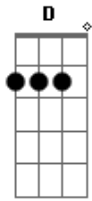

Comprando só matéria

Restou-me a esperança de outra vez te encontrar

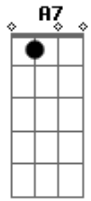

Voltei arrependido, de coração ferido

E volto convencido que este é o meu lu__gar
