

One Direction - Back For You

Tom: D

Whenever I close my eyes, I picture you there
 I'm looking out at the crowd, you're everywhere
 I'm watching you from the stage yeah
 Your smile is on every face now
 But every time you wake up
 You're hearing me say
 Goodbye

Baby, you don't have to worry
 I'll be coming back for you, back for you, back for you, you
 Lately, I've been going crazy
 So I'm coming back for you, back for you, back for you, you.

I've never been so into somebody before
 And every time we both touch I only want more
 So tell me nothing's going to change yeah
 And you won't ever walk away yeah
 Cause even though every night you'll know what I'll say
 Goodbye.

Baby, you don't have to worry
 I'll be coming back for you, back for you, back for you, you
 Lately, I've been going crazy
 So I'm coming back for you, back for you, back for you, you
 Right back for you
 Right back for you
 Right back for you
 Right back for you

N.C.
 Lately, I've been going crazy
 So I'm coming back
 Yeah I am coming back for you

Baby, you don't have to worry
 I'll be coming back for you, back for you, back for you, for
 you
 Lately, I've been going crazy
 So I'm coming back for you, back for you, back for you, you
 (D A G A Bm A G A)
 Right back for you, right back
 Right back for you, right back
 Right back for you, right back
 Right back for you.

Lately, I've been going crazy
 So I'm coming back for you, back for you, back for you, you.
