

One Direction - Don't Forget Where You Belong

Tom: G
Intro: G Em C (x2)

Verse 1:

Been a lot of places
I've been all around the world
Seen a lot of faces
Never knowing where I was
On the horizon
But I know, I know, I know, I know
The sun will be rising back home
Living out of cases
Ain't packing up and taking off
Made a lot of changes
But not forgetting who I was
On the horizon
Oh, well I know, I know, I know, I know,
The moon will be rising back home

Chorus:

Don't forget where you belong, home
Don't forget where you belong, home
If you ever feel alone, don't
You were never on your own
And the proof is in this song
(G Em C)(x2)

Verse 2:

I've been away for ages
But I've got everything I need
I'm flicking through the pages
I've written in my memory
I feel like I'm dreaming
Oh, so I know, I know, I know, I know
That I'm never leaving
No, I won't go

Chorus:

G Em C

Don't forget where you belong, home
Don't forget where you belong, home
If you ever feel alone, don't
You were never on your own
And the proof is in this song

Bridge:

Lights off when they should be on
Even stars in the sky they're wrong
Short days where the nights still long
When you think of the things have done.
Don't matter how far I'm gone.
I'm always feeling like home

Chorus:

Don't forget where you belong, home
Don't forget where you belong, home
If you ever feel alone, don't
You were never on your own
Never, never, never

Don't forget where you belong, home
Don't forget where you belong, home
If you ever feel alone, don't
You were never on your own
And the proof is in this song

Home
Don't forget it, home
If you ever feel alone, don't
You were never on your own
And the proof is in this song

(G Em C)
