

One Direction - Half a Heart

Tom: C

So your friends been telling me
 You've been sleeping with my sweater
 And that you can't stop missing me
 Bet my friends been telling you
 I'm not doing much better
 Because I'm missing half of me

 And being here without you
 It's like I'm waking up to

 Only half a blue sky
 Kinda there but not quite
 I'm walking round with just one shoe

 I'm a half a heart without you
 I'm half the man, at best
 With half an arrow in my chest
 I miss everything we do

 I'm a half a heart without you

 Forget all we said that night
 No it doesn't even matter
 Cause we both got split in two
 If you could spare an hour or so

 We'll go for the lunch down by the river
 We could really talk it through

 And being here without you

It's like I'm waking up to

Only half a blue sky
 Kinda there but not quite
 I'm walking round with just one shoe

 I'm a half a heart without you
 I'm half the man, at best
 With half an arrow in my chest
 Cause I miss everything we do
 I'm a half a heart without you

 Half a heart without you
 I'm a half a heart without you

 Though I try to get you out of my head
 The truth is I got lost without you
 And since then I've been waking up to

 Only half a blue sky
 Kinda there but not quite
 I'm walking round with just one shoe

 I'm a half a heart without you
 I'm half the man, at best
 With half an arrow in my chest
 Cause I miss everything we do

 I'm a half a heart without you

 Without you, without you
 Half a heart without you
 Without you, without you
 I'm half a heart without you
