One Direction - Half The World Away

tom: G C G If you were a good friend D Em You?d always be there when I need it Em D G 'Cause I?m on my knees and, baby, I'm bleeding Em D C And it kills me that you?re not around C G So you?re not my girlfriend Em D C G Don?t pretend that makes us nothing Em D C G Tell me you don?t miss this feeling Em D C I?m starting to see who you are С 'Cause there?s a time, there?s a place D Em And I?m always gonna hear your name C G There?s a right, there?s a wrong D Em And now I see that all along I messed up, you?ll be fine D Em I?m gonna sleep alone tonight A7 C Never gonna be the same 'Cause you?re half the world away C G A story you?d heard Em D C G And now you rest everything on these three words Em D C G Now I walk to you till my feet hurt Em D C So tell me that?s not good enough C G And I started drinking D Em C I don?t know half of what I?m thinking Em D C And deep in I?m scared I stopped breathing Em D C We've started to lose who we are G С 'Cause there?s a time, there?s a place D Em

Acordes

And I?m always gonna hear your name C There?s a right, there?s a wrong D Fm And now I see that all along C G I messed up, you?ll be fine D Fm I?m gonna sleep alone tonight A7 C A/ Never gonna be the same C G Em I want you around, round, round C G D Are we going down, down, down C G Em I want you around, round, round C G D Are we going down, down, down C G D I want you around, round, round C G D Are we going down, down, down С Are we going down, down, (down) 'Cause there?s a time, there?s a place And I?m always gonna hear your name
C
G There?s a right, there?s a wrong And now I see that all along C G I messed up, you?ll be fine D Em I?m gonna sleep alone tonight Never gonna be the same C G there?s a time, there?s a place D Em And I?m always gonna hear your name
C
G There?s a right, there?s a wrong D Em And now I see that all along C G I messed up, you?ll be fine D Em I?m gonna sleep alone tonight A7 Never gonna be the same Cause you?re half the world away
