Verse 2:

Every morning when I leave my house
I always look for you, yeah

I see you everytime I close my eyes

What am I gonna do?

And all my friends say
That i'm punching over my weight
But in your eyes I
Saw how you were looking at me

It's all that I can think about, oh
You're all that I can think about

Chorus:

Is your heart taken?
Is there somebody else on your mind?
I'm so sorry, I'm so confused
Just tell me, am I out of time?

Is your heart breakin?
How do you feel about me now?
I can't believe I let you walk away
When, when I Should Have Kissed You

Just a heartbeat away

When we were dancing
And you looked up at me

If I had known that
That i'd be feeling this way

I would have never let you go

No, oh...

Em
Never have let you go...
