

# One Direction - I want

Tom: C

**Am**  
Give you this, give you that  
Blow a kiss, take it back  
**F** **C** **G**  
If I look inside your brain  
**Am**  
I would find lots of things  
Clothes, shoes, diamond rings  
**B** **E**  
Stuff that's driving me insane

**Am**  
You could be preoccupied  
Different date, every night  
**F** **C** **G**  
You just got to say the word  
**Am**  
But you're no into them at all  
You just want materials  
**B** **E**  
I should know because I've heard  
When girls say...

**F** **G**  
I want, I want, I want, but that's crazy  
**Am**  
I want, I want, I want, and that's not me  
**G** **F** **G** **Am** **E**  
I want, I want, I want, to be loved by you

**Am**  
You've got everything you need  
But you want accesories  
**F** **C** **G**  
Got to hold it in your hand  
**Am**  
If I changed the world for you  
I bet you wouldn't have a clue  
**B** **E**  
Don't you know that I can't stand  
When girls say...

**F** **G**  
I want, I want, I want, but that's crazy

**Am**  
I want, I want, I want, and that's not me  
**G** **F** **G** **Am**  
I want, I want, I want, to be loved by you  
Oh, and all the girls say...

**F** **G**  
I want, I want, I want, but that's crazy  
**Am**  
I want, I want, I want, and that's not me  
**G** **F** **G** **Am**  
I want, I want, I want, to be loved by you

Be loved by you  
**G** **Am**  
I wanna, I stay true  
**E**  
I wanna, if you knew  
**Am** **G** **Gb7**  
What you put me through
