

One Direction - Little Things

Tom: G

Your hand fits in mine
 Like it's made just for me
 (Riff) C
 But bear this in mind

It was meant to be
 And I'm joining up the dots
 With the freckles on your cheeks
 And it all makes sense to me

I know you've never loved
 The crinkles by your eyes
 (Riff) C
 When you smile,
 You've never loved
 Your stomach or your thighs
 The dimples in your back
 At the bottom of your spine
 But I'll love them endlessly

I won't let these little things
 Slip out of my mouth
 But if I do
 It's you
 Oh it's you
 They add up to
 I'm in love with you
 And all these little things

You can't go to bed
 Without a cup of tea
 (Riff) C
 And maybe that's the reason
 That you talk in your sleep
 And all those conversations
 Are the secrets that I keep
 Though it makes no sense to me

I know you've never loved
 (Riff) C
 The sound of your voice on tape
 You never want to know how much you weigh
 You still have to squeeze into your jeans

But you're perfect to me

I won't let these little things
 Slip out of my mouth
 But if I do
 It's you
 it's you
 They add up to
 I'm in love with you

And all these little things
 You'll never love yourself
 Half as much as I love you

You'll never treat yourself right darlin'
 But I want you to
 If I let you know
 I'm here for you

Maybe you'll love yourself like I love you
 Oh...

I've just let these little things
 Slip out of my mouth
 Because it's you
 Oh it's you
 It's you
 They add up to
 And I'm in love with you

And all these little things
 I won't let these little things
 Slip out of my mouth
 But if I do
 It's you
 it's you
 They add up to
 I'm in love with you
 And all your little things.
