

One Direction - Little Things

Tom: G
Intro: G C Em D C D G

Primeira Parte:

Your hand fits in mine
Like it's made just for me
But bear this in mind
It was meant to be
And I'm joining up the dots
With the freckles on your cheeks
And it all makes sense to me
I know you've never loved
The crinkles by your eyes
When you smile
You've never loved
Your stomach or your thighs
The dimples in your back
At the bottom of your spine
But I'll love them endlessly

You've never loved

Your stomach or your thighs

The dimples in your back
At the bottom of your spine
But I'll love them endlessly

Refrão:

I won't let these little things
Slip out of my mouth
But if I do
It's you
Oh, it's you
They add up to
I'm in love with you
And all these little things

Segunda Parte:

You can't go to bed
Without a cup of tea
And maybe that's the reason
That you talk in your sleep
And all those conversations
Are the secrets that I keep
Though it makes no sense to me
I know you've never loved
The sound of your voice on tape
You never want
To know how much you weigh

You still love to squeeze
Into your jeans
But you're perfect to me

Refrão:

I won't let these little things
Slip out of my mouth
But if is true
It's you
It's you
They add up to
I'm in love with you
And all these little things

Terceira Parte:

You'll never love yourself
Half as much as I love you
You'll never treat yourself right
Darlin' but I want you to
If I let you know
I'm here for you
Maybe you'll love yourself
Like I love you, oh

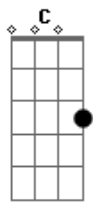

Refrão Final:

I've just let these little things
Slip out of my mouth
'Cause it's you
Oh, it's you
It's you
They add up to
I'm in love with you
And all these little things
I won't let these little things
Slip out of my mouth
But if is true
It's you
Oh, it's you
They add up to
I'm in love with you
And all these little things
