

# One Direction - Night Changes

Tom: Ab

(com acordes na forma de Capostraste na 1ª casa G )

Going out tonight, changes into something red  
 Her mother doesn't like that kind of dress  
 Everything she never had

She's showing off  
 Driving too fast, moon is breaking through her hair  
 She said it was something that she won't forget  
 Having no regrets is all that she really wants

Refrão:

I'm only getting older baby  
 And I've been thinking about you lately  
 Does it ever drive you crazy  
 Just how fast the night changes  
 Everything that you've ever dreamed of  
 Disappearing when you wake up  
 But there's nothing to be afraid of  
 Even when the night changes  
 It will never change me and you

Chasing her tonight, doubts are running 'round her head  
 He's waiting, hides behind his cigarette  
 Heart is beating loud, she doesn't want it to stop  
 Moving too fast, moon is lighting up her skin  
 She's falling, doesn't even know it yet  
 Having no regrets is all that she really wants

Refrão:

I'm only getting older baby  
 And I've been thinking about you lately  
 Does it ever drive you crazy  
 Just how fast the night changes  
 Everything that you've ever dreamed of  
 Disappearing when you wake up  
 But there's nothing to be afraid of  
 Even when the night changes  
 It will never change me and you

Breakdown: A Gbm D

Going out tonight, changes into something red  
 Her mother doesn't like that kind of dress  
 Reminds her of a missing piece of innocence she lost

Refrão Final:

I'm only getting older baby  
 And I've been thinking about you lately  
 Does it ever drive you crazy  
 Just how fast the night changes  
 Everything that you've ever dreamed of  
 Disappearing when you wake up  
 But there's nothing to be afraid of  
 Even when the night changes  
 It will never change, baby  
 We will never change, baby  
 It will never change me and you
