

# One Direction - Night Changes

Tom: Ab

(com acordes na forma de Capotraste na 1ª casa G )

Going out tonight, changes into something red

Her mother doesn't like that kind of dress

Everything she never had

She's showing off

Driving too fast, moon is breaking through her hair

She said it was something that she won't forget

Having no regrets is all that she really wants

Refrão:

I'm only getting older baby

And I've been thinking about you lately

Does it ever drive you crazy

Just how fast the night changes

Everything that you've ever dreamed of

Disappearing when you wake up

But there's nothing to be afraid of

Even when the night changes

It will never change me and you

Chasing her tonight, doubts are running round her head

He's waiting, hides behind his cigarette

Heart is beating loud, she doesn't want it to stop

Moving too fast, moon is lighting up her skin

She's falling, doesn't even know it yet

Having no regrets is all that she really wants

Refrão:

I'm only getting older baby

And I've been thinking about you lately

Does it ever drive you crazy

Just how fast the night changes

Everything that you've ever dreamed of

Disappearing when you wake up

But there's nothing to be afraid of

Even when the night changes

It will never change me and you

Breakdown: A Gbm D

Going out tonight, changes into something red

Her mother doesn't like that kind of dress

Reminds her of a missing piece of innocence she lost

Refrão Final:

I'm only getting older baby

And I've been thinking about you lately

Does it ever drive you crazy

Just how fast the night changes

Everything that you've ever dreamed of

Disappearing when you wake up

But there's nothing to be afraid of

Even when the night changes

It will never change, baby

We will never change, baby

It will never change me and you
