Once in a Lifetime it?s just right we made no mistakes
            Am

Not even a landslide or riptide
Could take it all away
[Pré-Refrão]
            Am
Somehow it feels like nothing has changed
Right now my heart is beating the same
              Am
Out loud someone?s calling my name
It sounds like you
[Refrão]
                 Em D A
When I close my eyes
            Em D A
All the stars are align

You are by my side
[Segunda Parte]
```

```
Once in a lifetime it's just right that we are always safe
            Am
Not even the bad guys in the dark night
Could take it all the way
[Pré-Refrão]
Somehow, I feel like nothings has changed
Right now, my heart is beating the same
              Am
Out loud, someone's calling my name
It sounds like you
[Refrão]
When I close my eyes
                Em D A
All the stars are align
And you are by my side
           Em G D A
You are by my side
           Em G D A
You are by my side
            Am G
You are by my side
