

One Direction - Over Again

Tom: D
Intro: 2x: Bm G D A

Verse 1:
Said I'd never leave her cause her hands fit like my t-shirt
Tounge tied over three words, cursed
Running over thoughts that make my feet hurt
Bodies intertwined with her lips
Now she's feeling so low since she went solo
Hole the middle of my heart like a polo
And it's no joke to me
So can we do it all over again?

Chorus 1:
If you're pretending from the start
Like this, with a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I could lend you broken parts
That might fit like this
And I would give you all my heart
(D) So we could start it all over again

Verse 2:
Can we take the same road? Two days in the same clothes
And I know just what she'll say if I can make all this pain go
Can we stop this for a minute?
You know, I can tell that your heart isn't in it, or with it
Tell me with your mind, body and spirit
I can make your tears fall down like the showers that are British
Whether we're together or apart
We can both remove the masks and admit that we regret it from the start

Chorus 2:

If you're pretending from the start
Like this, with a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I could lend you broken parts
That might fit like this
And I would give you all my heart
(D) So we could start it all over again
Middle 8:
You'll never know how to make it on your own
And you'll never show weakness for letting go
I guess you're still hurt if this is over
But do you really want to be alone?
Chorus 3:
If you're pretending from the start
Like this, with a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I could lend you broken parts
That might fit like this
And I would give you all my heart
(D) So we could start it all over again
Chorus 4:
If you're pretending from the start
Like this, with a tight grip, then my kiss
Can mend your broken heart
I might miss everything you said to me
And I could lend you broken parts
That might fit like this
And I would give you all my heart
(D) So we could start it all over again
