

One Direction - Over Again

Tom: D

Said I'd never leave her cause her hands fit like my t-shirt
 Tongue tied over three words, cursed
 Running over thoughts that make my feet hurt
 Bodies intertwined with her lips

Now she's feeling so low since she went solo
 Hole the middle of my heart like a polo
 And it's no joke to me
 So can we do it all over again?

If you're pretending from the start
 Like this, with a tight grip, then my kiss
 Can mend your broken heart
 I might miss everything you said to me

And I could lend you broken parts
 That might fit like this
 And I would give you all my heart
 (D)
 So we could start it all over again

Can we take the same road? Two days in the same clothes
 And I know just what she'll say if I can make all this pain go
 Can we stop this for a minute?
 You know, I can tell that your heart isn't in it, or with it

Tell me with your mind, body and spirit
 I can make your tears fall down like the showers that are
 British

Whether we're together or apart
 We can both remove the masks and admit that we regret it from
 the start

If you're pretending from the start

Like this, with a tight grip, then my kiss
 Can mend your broken heart

I might miss everything you said to me

And I could lend you broken parts
 That might fit like this

And I would give you all my heart
 (D)
 So we could start it all over again

You'll never know how to make it on your own
 And you'll never show weakness for letting go
 I guess you're still hurt if this is over
 But do you really want to be alone?

If you're pretending from the start
 Like this, with a tight grip, then my kiss
 Can mend your broken heart
 I might miss everything you said to me

And I could lend you broken parts
 That might fit like this
 And I would give you all my heart

(D)
 So we could start it all over again

If you're pretending from the start
 Like this, with a tight grip, then my kiss
 Can mend your broken heart

I might miss everything you said to me

And I could lend you broken parts
 That might fit like this
 And I would give you all my heart

(D)
 So we could start it all over again
