

# One Direction - Over Again

Tom: D

Said I'd never leave her cause her hands fit like my t-shirt  
 Tongue tied over three words, cursed  
 Running over thoughts that make my feet hurt  
 Bodies intertwined with her lips

Now she's feeling so low since she went solo  
 Hole the middle of my heart like a polo  
 And it's no joke to me  
 So can we do it all over again?

If you're pretending from the start  
 Like this, with a tight grip, then my kiss  
 Can mend your broken heart  
 I might miss everything you said to me

And I could lend you broken parts  
 That might fit like this  
 And I would give you all my heart  
 ( D )  
 So we could start it all over again

Can we take the same road? Two days in the same clothes  
 And I know just what she'll say if I can make all this pain go  
 Can we stop this for a minute?  
 You know, I can tell that your heart isn't in it, or with it

Tell me with your mind, body and spirit  
 I can make your tears fall down like the showers that are  
 British

Whether we're together or apart  
 We can both remove the masks and admit that we regret it from  
 the start

If you're pretending from the start

Like this, with a tight grip, then my kiss  
 Can mend your broken heart

I might miss everything you said to me

And I could lend you broken parts  
 That might fit like this

And I would give you all my heart  
 ( D )  
 So we could start it all over again

You'll never know how to make it on your own  
 And you'll never show weakness for letting go  
 I guess you're still hurt if this is over  
 But do you really want to be alone?

If you're pretending from the start  
 Like this, with a tight grip, then my kiss  
 Can mend your broken heart  
 I might miss everything you said to me

And I could lend you broken parts  
 That might fit like this  
 And I would give you all my heart

( D )  
 So we could start it all over again

If you're pretending from the start  
 Like this, with a tight grip, then my kiss  
 Can mend your broken heart  
 I might miss everything you said to me

And I could lend you broken parts  
 That might fit like this  
 And I would give you all my heart

( D )  
 So we could start it all over again
