

One Direction - Tell Me a Lie

Tom: G

Can't ever get it right
No matter how hard I try
And I've tried
Well, I put up a good fight
But your words cut like knives
And I'm tired

Pré-Refrão:

As you break my heart again this time

Refrão:

Tell me I'm a screwed up mess
That I never listen listen
Tell me you don't want my kiss
That you're needing distance distance
Tell me anything but don't you say he's what you're missing
baby
If he's the reason that you're leaving me tonight
Spare me what you think and
Tell me a lie

Well, you're the charming type
That little twinkle in your eye

Gets me every time

And well there must have been a time
I was the reason for that smile

So keep in mind

Pré-Refrão:

As you take what's left of you and I

Refrão:

Tell me I'm a screwed up mess
That I never listen listen
Tell me you don't want my kiss
That you're needing distance distance
Tell me anything but don't you say he's what you're missing
baby
If he's the reason that you're leaving me tonight
Spare me what you think and
Tell me a lie
