

# One Direction - Walking In The Wind

Tom: C  
Intro: 2x: C F Am G

A week ago you said to me  
"Do you believe I'll never be too far?"  
If you're lost, just look for me.  
You'll find me in the region of the summer stars.  
The fact that we can sit right here and say goodbye  
means we've already won.  
A necessity for apologies between you and me,  
baby, there is none

Oooo we had some good times, didn't we?  
Oooo we had some good tricks up our sleeve.  
Oooo goodbyes are bittersweet.  
But it's not the end.  
I'll see your face again.

You will find me.  
Yeah, you will find me  
in places that we've never been  
for reasons we don't understand.  
Walking in the wind.  
Walking in the wind.

Yesterday I went out to celebrate the birthday of a friend.  
But as we raised our glasses up to make a toast

I realized you were missing.  
Oooo we had some good times, didn't we?  
Oooo we wore our hearts out on our sleeve.  
Oooo goodbyes are bittersweet.  
But it's not the end.  
I'll see your face again.

You will find me.  
Yeah, you will find me  
in places that we've never been  
for reasons we don't understand.  
Walking in the wind.  
Walking in the wind.

I know I'll be your anchor.  
Just close your eyes and see.  
I'll be by your side  
any time you're needing me.

( C F Am G )  
You will find me.  
Yeah, you will find me  
in places that we've never been  
for reasons we don't understand.  
Walking in the wind.  
Walking in the wind.  
Walking in the wind.  
Walking in the wind.
