

One Direction - What Makes You Beautiful

tom:

Intro: C F G
C F G

You're insecure

Don't know what for

You're turning heads

When you walk

Through the door

Don't need make-up

To cover up

Being the way

That you are is enough

Everyone else

In the room can see it

Everyone else but you

Baby you light up my world

Like nobody else

The way that you flip your hair

Gets me overwhelmed

But when you smile

At the ground it ain't hard to tell

You don't know oh oh

You don't know you're beautiful

If only you saw what I can see

You'd understand why

I want you so desperately

Right now I'm looking at you

And I can't believe

You don't know oh oh

You don't know you're beautiful

Oh, oh

That's what makes you beautiful

(C F G)

So c-come on

You got it wrong

To prove I'm right

I put it in a song

I don't know why

You're being shy

And turn away when

I look into your eyes

Everyone else

In the room can see it

Everyone else but you

Baby you light up my world

Like nobody else

The way that you flip your hair

Gets me overwhelmed

But when you smile

At the ground it ain't hard to tell

You don't know oh oh

You don't know you're beautiful

If only you saw what I can see

You'd understand why

I want you so desperately

Right now I'm looking at you

And I can't believe

You don't know oh oh

You don't know you're beautiful

Oh, oh

That's what makes you beautiful
